BIG AL DOWNING

LIVE

Featuring Rio Drive

ALBE MUSIC proudly announces the March 1st, 2007 release of "Big Al Downing Live At XM Radio Washington, D.C." - the two CD set contains the Live Concert recorded at XM Radio on August 6th, 2003 and the interview with XM Radio's Country Dan Dixon recorded at the Country Music Hall of Fame on May 6th, 2005. "Big Al Downing Live At XM Radio Washington, D.C." represents Big Al's first release of previously recorded but unreleased material since his death on July 4th, 2005.

Conceived and produced by Kurt Bamacher, the monumentally retrospective project "Live At XM Radio Washington, D.C." brings together sixteen exquisite songs - each unique and justifying its own place in time, contributing to the wonderful feel and spirit of an album which shows the extraordinarily talented range of one of the most successful African-American artists in Country Music history.

This album has a special connection to XM Radio's Country Dan Dixon who was honored to have the opportunity to interview Big Al.
